

**6th Grade Summer Reading Assignment
2017-2018 School Year**

*"The more that you read, the more things you will know.
The more that you learn, the more places you'll go." - Dr. Suess*

Hello! I hope you are enjoying a wonderful and relaxing summer and hopefully those summer plans involve a good book! What can be better than a day at the beach with your favorite novel? This summer, make sure you set aside some time to read **2 books**. One must be ***Maniac Magee* by Jerry Spinelli** and the other is **a book of your choosing**. For *Maniac Magee*, I highly recommend taking notes while you read as you will have to complete an assessment on this when we return to school in September. These notes are simply to help remind you of what you read once school starts so don't sabotage yourself! Taking the time to take good notes now will make it easier to remember details you may have forgotten once September rolls around. For **both** books, please complete the attached worksheet.

Happy reading!
