

Mrs. Burd's Social Studies Expectations

Late Assignments

If the student does not turn in an assignment the day it is due 10 points will be subtracted from the final grade. The assignment must be turned in the next day. After 2 days, the assignment will not be accepted and a zero will be given.

Absent Work

If you are absent, please check the absent bin for your work when you return to school. It is beneficial to have your work picked up or sent home with a neighbor so that you do not fall too far behind. You will be given as many days as you were absent to make up the work. If you are absent on the day of a quiz or test, please see me during homeroom to schedule a time for you to make it up.

Tests & Quizzes

There will be a one week notification of all tests and quizzes. They will always be announced on the Class Calendar tab of my website as well as the Homework Board in the classroom. There will **not** be an opportunity for retests. Tests or quizzes with a grade of 70% or below must be signed and returned within 2 days or recess time will be taken away. Study guides will be provided for all tests. Students will use their class notes to help study for quizzes.

Projects

The majority of all projects will be done in school. Students will be given a timeline of when each part of the project will be due. If parts of the project are not finished in school they must be completed for homework that night.

No Names

If a student does not write his or her name on homework, class work, tests, quizzes, or projects there will be a subtraction of 5 points.
