CURRICULUM NIGHT FOR EIGHTH-GRADE PARENTS

Monday, February 1, 2016, 7:00 pm
Performing Arts Center
(Snow Date: February 2)

We are pleased to invite all eighth-grade parents to our annual Curriculum Night on Monday, February 1, 2016, at 7:00 pm. We are proud of our instructional program and look forward to sharing our vision and an overview of our scheduling process. Our supervisors will provide information on the required and elective courses and the course sequences in each academic discipline. They also will share insight into the ninth-grade placement criteria and the level of academic rigor that can be expected next year. Our goal is to find the most suitable placement for our newest students so that they have the best opportunity to learn and grow.

Please note that the annual orientation for eighth-grade students will be held on Tuesday, April 26. This program will be for students only, but parents will be invited to our athletics and co-curricular fair that evening. More information will follow.

Meanwhile, please check our website for an announcement regarding our "Freshman for a Day" program, which will run for a limited time in February and March.
