

**RELATIONS BETWEEN OTHER ENTITIES AND THE DISTRICT**

The Long Hill Township Board of Education (BOE) believes that cooperation between the school and other organizations concerned with youth, career development and mental health will enhance the opportunities of the district's students. Such cooperation will also enable the district to serve its students better through appropriate referrals as in substance abuse programs, special needs, etc. The Chief School Administrator (CSA) is encouraged to explore areas of mutual concern with the administrative officers of such organizations and to recommend desirable courses of action.

The Board directs the CSA to seek and maintain working relationships with local colleges and universities in such areas as student teaching, inservice staff development and advanced placement.

Core Curriculum Content Standards

The Board shall encourage the active involvement of representatives from the community, business, industry, labor and higher education in the development of educational programs aligned with the Core Curriculum Content Standards.

Charter Schools

The Board shall follow all procedures in code and statute when a charter school is proposed for the district or when district students would be eligible to attend a charter school in another district.

Donations to Private Organizations

The authority for a BOE to expend public funds is derived from the constitutional mandate to "provide for the maintenance and support of the thorough and efficient system of free public schools." The donation of moneys to any private organization, regardless of the merits of that organization's purposes, is not within the authority of the Board and is, therefore, prohibited.
