

NONSCHOOL USE OF DISTRICT VEHICLES

The Long Hill Township Board of Education (BOE) has made the buildings and grounds of the district's public schools available for nonprofit use, provided that in the opinion of the Chief School Administrator (CSA) such use would not conflict with, impede or negatively affect the operation of any school-related activities. The Board will also make school-owned vehicles, if any are owned, available to transport groups of qualified senior or disabled citizens to civic, social, cultural, educational, recreational, nutritional and health programs and activities within the district, or in the immediately surrounding districts, provided the distance does not exceed 20 miles. "Qualified" senior citizens are persons over 60 residing in the area served by this school district and their spouses of less than 60 if they are accompanying them.

The CSA shall formulate administrative regulations in conformity with N.J.A.C. 6A:27-7.8 and all other pertinent law. These regulations shall provide for payment by the group of all or part of the costs incurred by the district in such use of its vehicles. The regulations will also refer to, without duplicating, all current regulations governing conduct of the public on and/or using school facilities.

Note: The Long Hill Township School District does not own or lease any school buses at this time or any other vehicles suitable for transporting passengers.
