

**SCHOOL ATTENDANCE AREAS**

The Long Hill Township Board of Education (BOE) believes that the most effective utilization of District resources and the best delivery of educational programs and services can be maintained by designating each school facility for common grade levels. It, therefore, shall be the policy of the BOE to designate the following school facilities for the grade levels indicated:

Gillette School:	Grades Preschool-Kindergarten-1
Millington School:	Grades 2-5
Central School	Grades 6-8

The BOE annually shall review enrollment projections and other demographic data in an effort to adequately plan for maintaining common grade levels at a common facility.
