

SCHOOL CALENDAR

The Long Hill Township Board of Education (BOE) recognizes that the preparation of a calendar for the instructional program of the schools is necessary for orderly educational planning and for the efficient operation of the district.

The BOE shall determine annually the days when the schools shall be in session for instructional purposes. Such school calendar shall consist of no fewer than the 180 days of instruction required by law.

When an interruption in educational programming causes a disabled student's performance to revert to a lower level of functioning that cannot be recouped within a reasonable length of time, an extended school year shall be provided in accordance with the student's IEP. In any case, the school year shall be at least as long for students with disabilities as for nondisabled students.

The Chief School Administrator (CSA) shall prepare the school calendar for Board consideration in consultation with teacher and administrator association representatives and the Executive County Superintendent. The Board reserves the right to alter the school calendar when feasible and advisable in the best interests of the children of the district.

The Board shall adopt annually a list of religious holidays that shall consist as a minimum of those holidays designated by the Commissioner of Education.
