

ARTICULATION

In order to optimize student achievement of the Core Curriculum Content Standards, the Long Hill Township Board of Education (BOE) shall be responsible for the delivery of educational programs at the elementary and secondary levels using a coherent sequence of activities to prepare all students for employment or postsecondary study upon their graduation.

The Chief School Administrator (CSA) shall develop programs whereby teachers of the various levels of the District's schools cooperate to achieve smooth transitions from level to level; whereby students in the District's schools receive instruction in the same subjects at the same levels as students in other districts who will be attending the same high schools; and whereby the transition for district pupils from our elementary schools to the high school is accomplished without unnecessary difficulty for any student.

Further, the CSA will make every effort to develop a similar relationship with nursery schools from which district kindergarten students come.
